

# CONTROL POWER

## CITRIC ACID BASED ALKALINITY NEUTRALISER

- Suitable for use in the food industry
- Highly biodegradable. Adjusts the pH of washed fabrics
- Optimised for use with Oxipur system products

Prevents the formation of solid residues, giving fabrics a fresh, soft feel. Prevents irritation of skin coming into contact with the washed fabric. It is able to prevent the formation of sunscreen yellow stains.

### HOW TO USE

To be used with the other products of the Oxipur range, and with Sutter Tech automatic dosing systems.

### DILUTION

To be dosed according to the cycle of washing, water hardness and kind of dirt. For food industry use: 3-5% . Please contact the Sutter Professional technician.

### TECHNICAL DATA

**ASPECT:** Clear liquid
